

FISCAL NOTE

SB 361 - HB 716

March 3, 2003

SUMMARY OF BILL: Authorizes the local emergency planning committee in any county having a population of not less than 71,300 nor more than 71,400 according to the 2000 or any subsequent federal census (Anderson) to assess and collect an annual fee of \$100 from member facilities and industries required to submit tier II reports in accordance with federal law.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - To the extent the affected local emergency planning committee chooses to assess the fee provided for in the bill, it will experience a not significant increase in revenues. The local emergency planning committees were created in accordance with federal law, and this estimate assumes they are not local governmental entities as they are not funded by, or subject to, oversight by local governments.
